

## **Reminders from the Referee**

- Cell Phone/Pager warning: This is your official warning. Please make sure all players have their cell phone and pager off or on vibrate. If a cell phone or pager goes off in the middle of a point, the opponent may claim the point.

- USTA Comment 30.1, page 16:

A player may bring to court written notes that were prepared before the start of match and may read these notes during the match. While on court or during a match, a player may not receive Information via electronic devices capable of receiving communications such as cell phones or smart watches.

- Scoring Format: All matches will be the best 2-out-of 3 sets with a 10-point match tiebreak in lieu of a full 3rd set. The Coman Tiebreak Procedure will be used for all tiebreaks (including the 10-point match tiebreak).
- Changeovers: The rest time for all changeovers is 90 seconds, except between sets which is limited to 2 minutes.
- Warm-Ups: Players are limited to a 10-minute warm-up prior to match play. If players exceed the 10 minutes, the players may be told to play regardless of where they are in warm-up, so it's important to stay within time on your warm-up.
- Medical Time-Outs: The player in need of the medical time-out should not leave the court. Immediately send someone not involved in the match to get a referee. All medical time-outs will be addressed in compliance with "Friend at Court."
- Bathroom Breaks: A player can take a bathroom break at any time but players should try to take breaks during changeovers or between sets.
- Rain Procedures: If there is a rain delay, players are not permitted to leave the tennis center unless otherwise released by the Tournament Director and/or Tournament Referee. If pulled from the courts due to rain, players must report their match scores in progress to the site coordinator.  
Weather Information will be sent via the Event Messages through the App
- Point Penalty System (PPS): The PPS will be enforced. If a player is :01 to 5:00 minutes late, it is a loss of toss and 1 game for that player. If a player is 5:01 to 10:00 minutes late, it is a loss of toss and 2 games for that player. If a player is 10:01 to 15:00 minutes late, it is a loss of toss and 3 games for that player. If a player is 15:01 minutes late, it is a default. The Championship Referee is responsible for issuing defaults for failure to arrive on time.
- Note: Matches are un-officiated and all issues should be resolved on the court by the players involved. The Championship Referee should only be requested if all players on court cannot resolve the problem on their own and if requested by the players on court. Spectators are not permitted to request a Referee unless the players on court request it.
