

2024 32-Flighted Draw Instructions:

A 32 Draw will be flighted into 2 separate draws (Flight A & Flight B). Flight A will be players ranked 1-16 and Flight B will be players ranked 17-32.

Both flights should have seeded players.

Draws will be flighted if there are more than 16 players, even if there is an uneven number. Flight A will have the most players in any instance. For example: 17 players enter the tournament- Flight A will have 9 players and Flight B will have 8 players.

Points for Flight A and B won't be the same. Please see the USTA Point Chart under the Flighted draws tab. [USTA Point Chart Link](#)

If draws are **published** and someone withdraws, the next alternate will go into the withdrawal spot- if a seed withdraws in either flight, you may reorder the seeds **ONLY** in the flight the seed withdrew from.

If draws **aren't published** and someone withdraws from Flight A, the top player from Flight B can be put in Flight A. An alternate can be put in Flight B and redo the seeds. If withdraw is from Flight B, an alternate goes into the spot. If a seed withdraws from Flight B then add an alternate and redo the seeds.

Doubles must be offered for a Flighted tournament. The draw format will be single elimination.

2024 32 Draw Instructions:

A 32 draw will have seeds.

If there is a withdrawal, the alternate will go into that withdrawal spot. If a seed withdraws, then an alternate will go in the draw and the seeds have to be redone.

There will be a consolation, 5-8 playoff, and 3-4 playoff for draws that are Feed-In through the Quarterfinals.

Doubles must be offered for this 3-day event. The format will be single elimination

Consolation will finish on Monday along with Main Draw matches.
