Scoring Disputes

- Players must keep score and make all calls. Team captains and parents cannot interfere. If a dispute arises, players should attempt to settle the dispute. If unsuccessful, players should summon the official to the court.

Play Twice Rule

- **12U-18U:** A team may use different individual players for every line in the team match (singles, doubles, and mixed doubles) OR may choose to play one boy and/or one girl twice, in the mixed doubles position only. A team may choose to play players twice regardless of the number of players on the roster; this option is not limited to teams with only 3 boys and/or 3 girls. Players who have played twice in a team competition may not play twice again until after three rounds of competition have been completed by their team. The "playing twice" rotation begins again in the fourth round of round robin play or partial round robin play. The Playoffs, and/or Finals are not subject to this regulation. The PINK Play Twice form must be submitted before each match and signed by the tournament desk staff. If it is determined that this rule was violated by an illegal lineup, all points played will stand and the team in compliance will receive all remaining points.
- **10U:** A player **may not** play twice in a team match.

Check-In

- Teams should arrive at the facility **30 minutes prior to each match.** Only Team Captains should come to the tournament desk. Scorecards and PINK Play Twice forms must be filled out **BEFORE** reporting to the tournament desk. **All team members must be present and ready for play at time of check-in.** Teams will be assigned 2-4 courts for the match. Should courts become available for additional positions, the teams must play the match when the court(s) become available. A representative from the team should notify the tournament desk when their last match is on the court or when it is imminent that a court will become available. This will help the tournament staff in assigning courts.

Defaults

- **12U-18U:** A team **must have a minimum of six (6) eligible players, three (3) boys and three (3) girls, registered and available for the championship.**
- **10U:** A team **must have a minimum of four (4) eligible players, gender neutral, registered and available for the championship.** After the schedule is published, if a situation happens that will cause a team to default a line for the entire championship, notice **must** be given to the tournament director and/or tournament referee and approved prior to the start of play.
- If a team needs to default a position, it **must be at singles** as this will affect the fewest number of players. The opposing team will be given the opportunity to change the lineup in the event of a default.
- **12U-18U:** A team may default a maximum of two positions in a team match without defaulting the entire match.
- **10U:** A team may default a maximum of one position in a team match without defaulting the entire match.

Time Penalties

- **Team** late penalties may be enforced at the tournament referee's discretion, i.e. once one court at the facility for that timeslot becomes available each player's individual match will start 1 game down for the first five (5) minutes late + loss of toss, for 5:01 minutes to 10:00 minutes late, each individual match will be down 2 additional points and at 10:01 to 15:00 minutes late, each individual match will be down 2 more points for a maximum of 2 games down and loss of toss. At 15:01 minutes late the entire match may be defaulted and will be handled by the referee and the tournament committee.
- **Player** late penalties may be enforced at the tournament referee's discretion, i.e. each player's individual line will start 1 game down for the first five (5) minutes late + loss of toss, for 5:01 minutes to 10:00 minutes late, each player's individual line will be down 2 additional points and at 10:01 to 15:00 minutes late, each player's individual line will be down 2 more points for a maximum of 2 games down and loss of toss. Team Captain(s)/Manager(s)

- Teams may have a Team Captain/Manager, Co-Captain/Manager and a Coach.
 - The Team Captain/Manager may report infractions to the officials, who shall then take prompt and appropriate action. One coach is designated for the duration of each team match (see coaching rules below).  - ALL communication with the tournament staff and/or officials should be done ONLY by the Captain and/or Coach. Abusive or confrontational behavior from anyone toward tournament staff and/or officials will not be tolerated and may result in the suspension of coaching privileges and/or point penalties.

Umpires

- There will be certified roving umpire present at all championship sites. Roving umpires may be positioned inside the fenced areas and will interfere with play as little as possible. Players should be encouraged to play tennis without the need for umpires to be present for matches. In the case of disputed calls and upon the request of the player, captain/manager or coach, a roving umpire may be supplied to oversee the match. One of the goals of the championships is to teach players to play by *The Code* as they graduate to other competitions and to understand the role and availability of umpires. Their own misbehavior and/or inability to call lines or trust their opponents not only reflects badly on them but deprives their fellow players of a fair match and thereby requires umpiring supervision.

The Point Penalty System

- The Point Penalty System will be in effect. This means that abusive or unsportsmanlike behavior by players or spectators will not be tolerated. Examples of behavior that warrant PPS are disrespect of officials, racket abuse, ball abuse, swearing, delaying play.
