## MACON AREA TENNIS ASSOCIATION

---

Welcome to Macon – home of Otis Redding, Little Richard and The Allman Brothers! Congratulations to your teams for qualifying for the USTA Georgia District League Championship. Here are some things that will be helpful for you to know as you plan your trip to Macon.

We have negotiated special rates for your stay at more than a dozen area hotels. In order to guarantee you receive the negotiated rate, please use either the QR code that takes you directly to the hotel booking site or call the property directly and ask for the MATA Combo rate. All property phone numbers are listed in this brochure.

When you receive your Captain's packet at check in you will receive a \$10 meal voucher for each player redeemable at many of our fabulous local restaurants. Some prefer large groups to make reservations and those will be marked on the voucher.

In the event you have some downtime or chose to stay and play after your matches are completed, we encourage you to visit some of our great tourism destinations – The Big House Allman Brothers Museum, Capricorn Studios, and The Ocmulgee National Monument and Indian Mounds to name a few.

Again, welcome to Macon!
