# USTA Georgia State Chmps App
(Turning on Event Messages)

|	
This App is available for iphones, ipads & Android devices. In your Apps (Apple products) or Google store (Androids) search for USTA Georgia State Chmps. You will see the picture on the right and it will say "Get" instead of "Open". Download it.	
Once you have downloaded the app and you open it, the main screen will be similar to the picture to the right. Click on ALERTS to set up push notifications for this Championship.	
The Messages page will show a list of all our state championships in **chronological** order. Scroll down to **Columbus Sep 19-21** and select the check box on the right. It will automatically be saved. Troubleshoot: if the checkmark is not saving, please delete the app and reinstall it.	

From the Home Page, if you click on "Championships" you will see the list in chronological order. Click on "**Columbus Sep 19-21**" to see the options for this tournament.
