DISTRICT NEWSLETTER

In this newsletter, we're shining the spotlight on the incredible events happening across our local Community Tennis Associations. From tournaments and socials to tennis apprentice programs and special celebrations, our CTAs are creating meaningful opportunities for players of all ages and levels to connect through tennis.

DISTRICT 1

COOSA VALLEY TENNIS ASSOCIATION

Our recent one-day tournament at the Rome Tennis Center at Berry College was a fantastic day of competition, school spirit, and community support! Players proudly represented their alma maters and favorite local schools while coming together to raise funds for area high school tennis teams as they prepare for the spring season.

Thanks to the incredible support of our players and donors, the tournament was a great success. Proceeds will directly benefit local tennis programs, helping provide resources and opportunities for student-athletes this spring. We are so grateful to everyone who participated, donated, and helped make the day such a meaningful event!

DISTRICT 2

CLARKE OCONEE TENNIS ASSOCIATION

COTA is building connection and engagement beyond the courts by launching consistent weekly social media features. Tuesday Tennis Tips provides players with quick, practical advice they can immediately apply to their game—whether it's improving serve consistency, mastering doubles positioning, sharpening mental toughness, or preventing common injuries. These bite-sized tips help beginners build confidence while giving seasoned players helpful reminders to elevate their performance.

DISTRICT 3

USTA Atlanta

USTA Atlanta ended the year seeing growth in all our league categories. Our overall participation on the year increased by almost 5%.

Our winter season in particular grew by 3.7%, accounting for the majority of the year's growth.

The season culminated with our city finals which took place in February in Marietta and Alpharetta.

ATLANTA YOUTH & TENNIS EDUCATION FOUNDATION

On February 13, the Pine Haven Manufacturing Homes partnered with AYTEF to host a Valentine's Day Activation at their leasing office. The leasing office provided goodie bags for families to stop by and grab. Our mobile tennis station was strategically set outside the office to catch families to stop by and play some red ball tennis to secure swag and prizes. This event is part of our Community Outreach pillar as we strive to directly bring opportunities to engage with tennis into the neighborhoods overcoming common barriers such as transportation for the families in the neighborhood.

DISTRICT 4

CHATTAHOOCHEE AREA TENNIS ASSOCIATION

In December, CHATA brought the holiday spirit to the courts with our annual Ugly Christmas Sweater Tennis Event! Players of all levels showed up dressed in their most festive (and fabulously tacky) holiday sweaters, transforming the courts into a sea of bright colors, blinking lights, reindeer, snowmen, and plenty of tinsel.

Our Winter Break Tennis Camp was the perfect way for players ages 5–16 to stay active and engaged during the school break! From beginners picking up a racquet for the first time to intermediate and high-performance players sharpening their game, the week was packed with energy, improvement, and fun.

Campers enjoyed structured instruction and focused skill development each day, along with exciting games and friendly competition. We wrapped up the week with awards to celebrate effort and achievement—and of course, everyone's favorite tradition, Pizza Friday!

With divisions ranging from Men's and Women's singles to Combo Mixed 18+ and 50+ levels, players of all ratings had the opportunity to compete in a fun and festive atmosphere. Close matches, great sportsmanship, and plenty of competitive energy kept the courts buzzing all weekend long.

This event was all about well-being—both on and off the clock. Participants enjoyed beginner-friendly drills, games, and playful matchups while discovering how tennis can be a powerful tool for stress relief, movement, and mental wellness. Laughter, smiles, and friendly competition filled the courts, proving that learning and recharging can happen at the same time.

DISTRICT 8
