

School Partner Registration

Whether you teach at a park, school, tennis facility or run programming, becoming a School Tennis Partner is a great way to expand your impact and introduce more kids to the game. As part of the new school tennis registration process, all existing school partners will need to register on USTA Coaching as a coach and School Partner.

1. Got to ustacoaching.com and click JOIN in the upper right-hand corner
2. Create a free USTA Coaching Baseline account.
3. Click the profile icon in the upper-right corner and select "My Schools".
4. Click the "School Partners" tab.
5. Scroll down and click "Become a School Partner."
6. Complete the form and check the box accepting the Terms and Conditions.
7. Once a school completes its registration, they will select a School Partner from the dropdown menu. This will automatically send an invitation to the partner's USTA Coaching account.
8. The School Partner accepts the invitation, and the equipment pack order will then be processed and sent to the school.

As a USTA School Tennis Partner, you'll have access to:

- Coaching education, webinars, and training resources
- Exclusive discounts on tennis equipment and select partner brands
- Access to Serve Tennis and the USTA Coaching Learning Hub
- Help local schools access a free tennis equipment package for their PE program by partnering with you
- Opportunities to connect with local schools and grow participation in your programs
